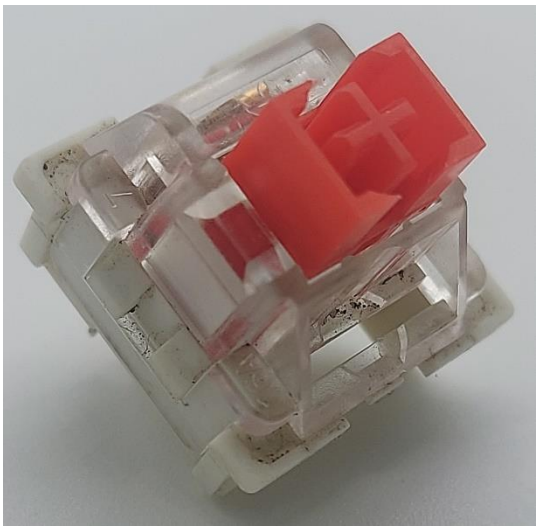
TR Dustproof Red

Last Update: 04/05/2026



TR Dustproof Red	
Switch Type: Linear	*Unknown*
Total Stem Travel	4.040 mm
Peak Force	63.1 gf
Bottom Out Force	63.1 gf
# of Upstroke Points	868
# of Downstroke Points	1019

Testing Notes

- I'm not entirely sure where the small bump in the downstroke and upstroke curves of this switch are coming from, but it is not noticeable in hand. The symmetrical presence does suggest that it is a mechanical feature leading to this rather than simply a manufacturing error/strange issue.
