

AEBoards Raed HE

Last Update: 06/08/2025

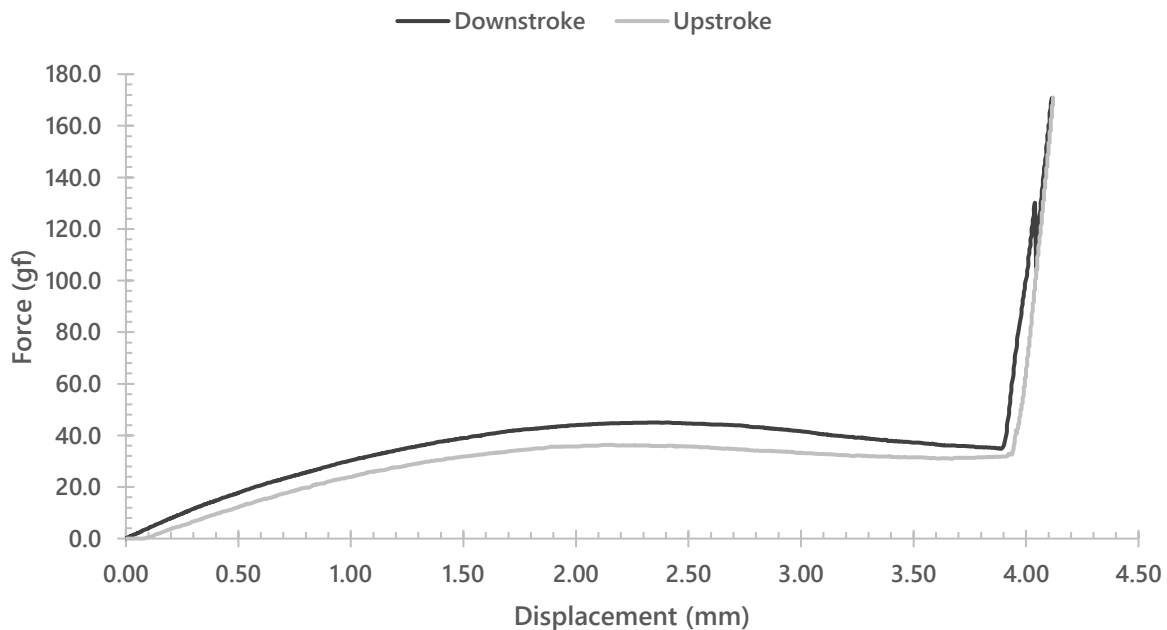

AEBoards Raed HE	
Switch Type: Tactile	Tecsee
Total Stem Travel	3.890 mm
Peak Force	45.0 gf
Bottom Out Force	34.8 gf
# of Upstroke Points	1153
# of Downstroke Points	1121

Testing Notes

- Despite this switch being marketed as a “linear”, the force curve below and the general nature of Topre is one that is much more tactile than it is linear. As a result of this, I’ve chosen to include it in the “tactile” category of switch types despite its valid, contextually relevant marketing as being “linear”.
